Westlake Village Movers

The best move ever! We at [Westlake Village Movers](#) are dedicated and designed to accommodate your moving needs while remaining within your budget. We specialize in local & long distance moves with timely & accurate hassle-free service.

Here are some of our moving services:

- **Full Service Movers and Packers**
Our experienced experts will pack everything in your home or office using proven inventory tracking packing methods and materials. All of our team members are honest, friendly, hardworking men & women, and above all highly trained professionals as employees of our company, not hired as independent laborers.
- **Fragile Packing** We will professionally pack, or crate, any breakable or high-value items you identify with shrink wrap, bubble-wrap or popcorn packing materials.
- **Careful Crating for high-value items such as antiques, artwork, etc.** We supply and install shrink wrap, pad & bubble-wrapping for delicate breakable items
- **Transportation, loading and unloading of your possessions** Each of our affordable moving packages includes continuously maintained trucks, 4 wheeler dollies, speed packs, wheeled carts & heavy duty moving blankets, specialty runners for carpets, hardwood floors & hard boards for marble flooring to protect floors.
- **Assembly & Disassembly** We offer disassembling of furniture, outdoor patio sets, exercise equipment, swing sets, etc. before your scheduled move & re-assembled at your new location.
- **Do-It-Yourself Packing** If you prefer to pack your own possession, we can provide the materials to make your packing easy and stress-free as much as possible

Our customers choose [Westlake Village Movers](#) for three main reasons: our professional experience, our reasonable prices and our outstanding customer service. We strive to provide shipping or moving price quotes over the phone or online within a few minutes. We explain everything you need to know about moving & shipping with a clear, written summary of the shipping and moving price and services we provide up front so there are no surprises & no hidden charges.

We care about your belongings as much as you do. We aim to keep your possession secure and protected. Occasionally no matter how hard we try, an item may be damaged. For this reason, we offer comprehensive valuation protection to cover any damage or loss incurred during transit. We also offer basic liability protection at no extra charge to our customers and we are federally licensed by the U.S. Department of Transportation (License Number: XXXXXX). We have been approved by a number of companies and organizations to provide shipping and moving services to their franchises and members. No matter what, when you move with [Westlake Village Movers](#), you are protected.

We strive for excellence in every aspect of moving. Our trained professionals are here to cater to your moving needs, assisting you in every aspect of your move. Throughout your move, from the pre-move planning to our qualified drivers transporting your possessions, you will be interacting with our professionals.
